

## INCUBATION CENTRE

### INDIAN INSTITUTE OF TECHNOLOGY, PATNA

Bihta, Patna - 801103

Date- 23.06.2026

#### Internship Opportunity at Incubation Centre IIT Patna.

Applications are invited from motivated and enthusiastic graduates, including third-year students, with an excellent academic record from recognized institutions, for various internship opportunities at Incubation Centre IIT Patna (IC IITP).

IC IITP, is an initiative established through a collaborative effort between the Government of India and the Government of Bihar. IC IITP focuses on nurturing innovative ideas in a wide range of domains, including but not limited to Electronics System Design and Manufacturing (ESDM), Health Technology, Artificial Intelligence (AI), Internet of Things (IoT), Engineering, Manufacturing, Drones, and Automation.

IC IITP provides world-class infrastructure and facilities for design, testing, prototyping, and fabrication, with the objective of transforming ideas into viable and tangible solutions.

IC IITP offers a limited number of internship opportunities under the MSME Idea Hackathon 5.0 scheme.

Selected students will be offered internships for a duration of one month based on requirements, during which designated Scheme Coordinator will oversee and guide the interns. Interns are expected to work closely with IC incubated startups, contributing to real-world projects. For this, a monthly stipend of Rs. 15,000/- will be provided to interns by IC IITP. Upon successful completion of the internship, a certificate will be issued by IC IITP.

#### Internship opportunities are open as follows:

S. No.	Internship Area	Key Responsibilities	Skills Required	No. of Position
1	Front-End Development	Development of MSME Registration Portal, Agent Dashboard, Admin Panel, Application Tracking System, and Reporting Modules	HTML, CSS, JavaScript, React.js/Angular, UI/UX Design, Responsive Web Development	1
2	Back-End Development	Development of Loan Processing Engine, Database Architecture, Business Rule Engine, and Credit Assessment Module	Python/Java/Node.js, REST APIs, Database Management (MySQL/PostgreSQL), System Architecture	1
3	API Integration & FinTech Solutions	Integration of PAN, Aadhaar, Credit Bureau (CIBIL), and Bank Statement Analysis APIs	API Development & Integration, JSON/XML, Authentication Protocols, FinTech Applications	1
4	Software Testing & Quality Assurance	Functional Testing, Security Validation, Bug Tracking, and Performance Optimization	Software Testing, QA Tools, Security Testing, Performance Analysis	1
5	DevOps & Deployment	Platform Deployment, Cloud Infrastructure Management, Monitoring, and Production Support	Cloud Platforms (AWS/Azure/GCP), CI/CD, Docker, Linux, System Administration	1

The number of internship positions may increase or decrease based on the requirements. All candidates are required to apply through given Google Link before 1<sup>st</sup> July 2026.

**Google Form Link - <https://forms.gle/YX8mYmvdvRUUNKJH9>**

The final selection will be made after an interview in an online mode with shortlisted candidates. Decision of IC IIT Patna on all matters of internship will be final. If there is any change in the start/end dates of interview/internship, it shall be intimated to the shortlisted candidates via email or refer to IC IIT Patna website [www.iciitp.com](http://www.iciitp.com).

IC IIT Patna will not provide TA/DA and hostel accommodation.

If any misleading activity is discovered involving the intern, their offer of internship will be immediately revoked.

Sincerely,

PIC & Secretary, IC IITP
